Winter Internship Programme 2026

Applications are invited from students of educational institutions across India for the Winter Internship Programme 2026 at the Indian Statistical Institute Chennai Centre for a duration of one month during December 2026. The internship will be conducted in offline mode.

Selected interns will receive a consolidated amount of ₹8,000/- for the one-month internship, subject to satisfactory participation and completion of the programme.

Eligibility: Students pursuing B.Sc., B.E./B.Tech., M.Sc., and M.E./M.Tech. programmes. Applicants must have successfully completed at least the second year of their undergraduate programme or the first year of their postgraduate programme at the time of commencement of the internship.

The internship provides an opportunity to work under the guidance of ISI faculty and researchers in areas such as Statistics, Mathematics, Computer Science and allied areas.

Accommodation will not be provided by the Institute. Selected candidates are required to make their own accommodation arrangements during the internship period.

Interested candidates should submit their applications along with their CV/Resume, academic transcript, and a brief Statement of Purpose (SOP) in the google form (<https://forms.gle/Egh9rjEVNiAXnR7>).

For detailed eligibility criteria, research areas, application guidelines, and the application format, please visit the official website of the Indian Statistical Institute, Chennai Centre (<https://www.isichennai.res.in/WIP>)

The last date for submission of application is: 7th September 2026.

The results will be published on 15th September 2026.
